CERTIFICATE OF AUTHORIZATION

Infomedia Ltd. as Distributor of Pelco's CCTV systems in Bulgaria, hereby confirm and certify that Computer Group - Bourgas is our best dealer and integrator of Pelco's CCTV systems in Bourgas region. We consider that Computer Group is able to install, maintain and service video security installation based on Pelco equipment.

Pelco is a world leader in the design, development and manufacture of Closed Circuit Television (CCTV) products and systems for use in security, surveillance and monitoring applications.

For more than forty years, Pelco has continued to lead the industry in the development of CCTV products including camera enclosures, domes, mounts, pan/tilt units, remote positioning devices, controllers, switches, matrix systems, multiplexers and video signal equipment. Pelco products are tested in accordance with industry's highest standards.

Reliability, dependability and performance are an integral part of our ongoing pledge to provide 100% customer satisfaction.
